

Complete this worksheet during the live event on Wednesday, November 17th at 10:00 am EST.

Green Practices

Try to get BINGO by completing the tasks in five boxes next to each other horizontally, vertically, or diagonally. Some boxes are an action, some are question and answer, and some are prompted by something the expert or host says.

Some plush are made out of plastic _____	Share a way cardboard can be reused in your home	Leslie makes a funny face	Gift Shop Manager's name	One of the ways the Zoo uses old cardboard
Steve says the phrase "how cool is that?"	Cardboard Challenge expert's name	The type of shipping Rhode Island Novelty (RIN) uses	Expert talks about Global Cardboard Challenge	This type of plastic packaging is what we are trying to avoid
This global company listened to buyers and reduced plastic in packaging	Using this to reduce use of small plastic strips for price tags	Free Green Space	Ask the expert a question	Cardboard challenge expert uses the word play
Ask the expert a question	Someone says green or sustainable	This was created by Caine and inspired the Global Cardboard Challenge	Leslie giggles or laughs	This has been removed from tie-downs to reduce plastic
The Zoo has sold these which were made of peach skin	Define upcycle	Ask the expert a question	Type of bags the gift shop switched to	Steve says the words "amazing" or "awesome"

Cardboard Challenge

During this section we will provide some materials and tools to use for the challenge and then give you some time to come up with your own cardboard creation.

Some prompts to think of:

- What is your goal?
- Do you need extra supplies?

Draw a blue print or explain your cardboard challenge entry below.
