

Complete this worksheet during the live event on Wednesday, October at 10:00 am EST.

Animal Behavior and Biology

Try to get BINGO by completing the tasks in 5 boxes next to each other horizontally, vertically, or diagonally. Some boxes are an action, some are question and answer, and some are prompted by something the expert or host says. If you get bingo once then try to see how many bingos you can get.

Can you fill the board?

What is Jenn's title?	Where will the new baboon habitat be?	Name of Grizzly Keeper	Host asks expert a question	Is a baboon a type of monkey?
Why did we update the baboon habitat?	Someone uses the word "design"	Could a stranger train Ronan?	What type of animal is Ronan?	Someone uses the word "operant conditioning"
Ask a question of the hosts. (<i>Type the question in chat</i>)	Why do baboons need rock in their habitat?	Free Space		What research was done on baboons?
Does Ronan do tricks?	Describe Hamadryas baboons	Host asks expert a question	Jenn or Steve says "concrete"	Are grizzly bears social or solitary?
Someone uses the term "ancient ruins"	Are baboons social or solitary?	What is Ronan's favorite reward?	Ask a question of the hosts. (<i>Type the question in chat</i>)	Why do baboons want to be high up?
				Where did Ronan come from?

Animal Behavior and Biology

Fill in the table below using information from our experts!

Animal Behavior Described	How the zoo supports this behavior
Grizzly bear <input type="checkbox"/>	
Hamadryas baboons <input type="checkbox"/>	
Grizzly bear <input type="checkbox"/>	
Hamadryas baboons <input type="checkbox"/>	
Grizzly bear <input type="checkbox"/>	
Hamadryas baboons <input type="checkbox"/>	
Grizzly bear <input type="checkbox"/>	
Hamadryas baboons <input type="checkbox"/>	
Grizzly bear <input type="checkbox"/>	
Hamadryas baboons <input type="checkbox"/>
