

Trams and buses arrive approximately every 30 minutes, though wait times may be longer during busy periods.

Strollers and wheelchairs can be accommodated. Ramp and lift weight limits vary by vehicle from 600 to 1,000 pounds. Strollers must be emptied and folded before boarding. Wagons must be collapsible to be accommodated.

Parked in North America? Take the Tram to Junction Plaza, explore Africa, then enjoy the walk back to North America Plaza.

Parked in Africa? Walk one side of Africa then explore North America. Take the Tram from North America back to Junction Plaza and finish your visit by walking through the rest of Africa on your way back.

Use the **Parking Lot Shuttle**, outside the Zoo entrances, if your day ends on the opposite side of the Zoo from where you parked.
